INTRODUCING NEW-ERA "32nd **New-Era** CUP"

The 32nd **New-Era** Cup was held on Oct. 22 at HORYUJI C.C. in Nara prefecture. Total 38 players of New-Era Staffs, our exporters and suppliers enjoyed whole autumn day. Luckily it was fine weather against forecast of raining. To our surprise, a champion of this competition scored hole in one which was first time miracle since **New-Era** Cup started. We hold this competition for golf game 2 times (in spring and autumn) a year.

We would like to welcome your participation next time.
